

**REMARKS**

In response to the requirement to elect a species/subspecies, the applicant elects, without traverse, Species 6 (Figures 16A(1) to 16D) and Subspecies 1 (Without Tether).

The applicant believes that the following claims are readable upon the elected species/subspecies: 32; 33; 34; 35; 36; 38; 39; and 44. The applicant believes that the following claims are generic to all subspecies: 32; 33; 34; 35; 36; 38; 39; and 44. Claim 37 has been withdrawn as being directed to a non-elected subspecies, subject to reinstatement if a generic claim is held allowable.

Claims 1 to 31 and 45 to 47 have been canceled as being directed to a non-elected species.

After the species/subspecies election, claims 32; 33; 34; 35; 36; 38; 39; and 44 remain in the application.

Respectfully Submitted,

By
